

School Year 2010/2011

The Ministry of Education funded one-half day TOC ensures that **one** teacher from each registered Action School will receive Action Schools! BC training or attend a planning session annually.

- Schools must be registered with Action Schools! BC to be eligible for the half-day TOC funding. To register online visit www.actionschoolsbc.ca or call the Action Schools! BC Support Team at 604.738.2468 or 1.800.565.7727.
- Once registered, call the Action Schools! BC Support Team at 604.738.2468 or 1.800.565.7727 to arrange for an Action Schools! BC in-service. We will work with you to determine a suitable 2-3 hour workshop time for your school. Action Schools! BC provides the trainer, the *Classroom Action Bins/Packs* and resources for your school.
- We will refer you to an Action Schools! BC in-service that is already planned in your region or you are welcome to send staff to an Action Schools! BC in-service hosted at the school district, at a conference or during Professional Development days.
- Your school is welcome to send as many staff as you would like to attend Action Schools! BC training, however, the half-day TOC funding applies to **one** staff member per school.
- The half-day TOC funding cannot be applied to invoices where payment has already been made.
- If your school has already attended an Action Schools! BC in-service and invoiced your school district for a TOC, then the half-day TOC funding can be used by a teacher to implement your school's Action Plan.
- Half day TOC invoices are to be sent to:

Bryna Kopelow
#360 – 3820 Cessna Drive
Richmond, BC V7B 0A2

Thank You,

Action Schools! BC Support Team
