Re: Action Schools! BC -Teacher on Call Provincial Funds

The BC Provincial Government has provided financial resources to be invested to train teachers and help school districts across the province implement Action Schools! BC. 2010 Legacies Now is pleased to be a partner of this initiative with the BC Ministries of Health and Education.

To encourage participation in this exciting initiative, funds are now available to reimburse each registered K-7 and Middle School Action School for one ½ day Teacher on Call (TOC) to send a teacher to a Classroom Action Workshop or to integrate Action Schools! BC into their school. Please remind the schools in your district that Action Schools! BC ½ day TOC funds are available for all registered Action Schools even those that did take advantage of this ½ day TOC last year.

The administrative process is as follows:

- The applicable district personnel submit invoices for the teacher receiving the ½ day TOC to Action Schools! BC Support Team office.
- For more information on how to access the ½ day TOC funding please contact **Bryna Kopelow** at the Action Schools! BC Support Team office at info@actionschoolsbc.ca or call **1-800-565-7727**.

Invoices should be sent to:
